# DET JAPANSKE ARBEJDSMARKED

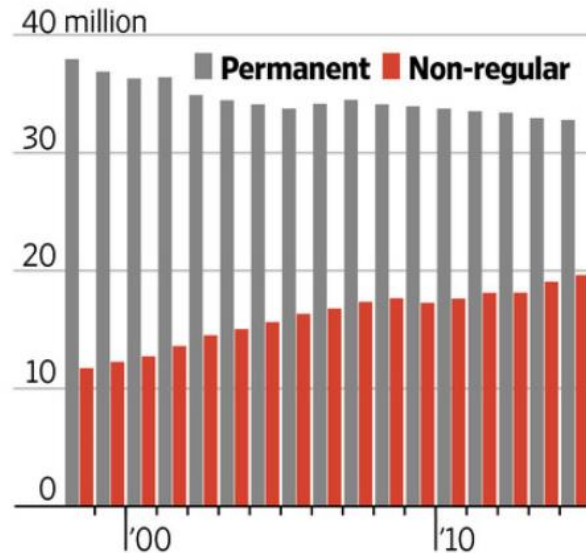

Japan's overall labor market is tight, but the growth in temporary positions has weighed on wages.

**Japan's unemployment rate has hit a long-term low...**

**... as the number of so-called non-regular jobs has grown and permanent positions have disappeared...**

**... and real and nominal wages have slumped.**

Note: Wage data is based on Labor Ministry's wage index, where 2010 wages=100

# Strategisk partnerskab mellem Japan og Danmark

Marts 2014

**Et styrket samarbejde på en række områder:**

- Fødevarer og landbrug
- Vedvarende energi og grøn teknologi
- Sundhed og velfærdsteknologi
- Videnskab, innovation og uddannelse

## En ny handels- og eksportforhandlingsplan skal:

- Støtte op om det strategiske partnerskab
- Øge dansk eksport
- Styrke innovationssamarbejdet
- Fremme japanske investeringer i Danmark
